

## **BOS Museum**

### **Donations**

The museum is missing significant objects from its collections. In particular we are looking for:

- ◇ BSSO Transactions 1907—1930
- ◇ Examples of self-ligating brackets
- ◇ Twin block appliance
- ◇ Typodonts with appliances
- ◇ Kesling tooth positioner
- ◇ Programme of the first British Orthodontic Conference held in 1986
- ◇ Kingston MOA

Please contact Sophie Riches, Curator, if you are able to donate any objects
